**OLCA Fall 2023 Meeting at Hidden Valley Lake, Indiana** was the first meeting held since fall of 2019. It was a successful meeting with a lot of information. Thank you to Dave Wisemann, who organized a great group of hospitality volunteers. Many positive comments about the facilities, food, and programs. We are all thankful to be able to get back to having Spring and Fall meetings. These meetings are a wealth of information and support for each one of us.

The Board Member and Manager Roundtable's were again very productive sessions. Hidden Valley Lake shared about their clubs and organizations, financial structure, and their social media sites.

Our General Counsel, John Jolley provided a session on Lake Communities Legal Liability, using material from the Community Associations Institute. Jared Ewbank was also part of this discussion.

Thursday morning was the OLCA Board meeting and reports. The Rick Lavinsky Award was presented to Rich, who is one of the Great Volunteers from Hidden Valley Lake.

Afternoon breakout sessions included Lake treatment/fisheries by Jones Fish & Lake Management. Also presentations about Woodland Management, Fiber Optics Installation, Deer Cull, Ancillary Income & Spectrum Bulk Deals, and Lake & Safety Enforcement were held.

**Future OLCA Meetings,** The Spring 2024 meeting will be at Cinnamon Lake on May 8 & 9. The Fall meeting will be at Lakengren. Please contact Anna Gibson, OLCA Treasure if you would like to host a future meeting. We would love to see some of the lake communities that have not hosted before or may have hosted some time ago.

We encourage each lake to submit a short overview of what has happened in your lake in 2023. What accomplishments, improvements, issues have you had. Please send your overview to [OLCAexecdirector@gmail.com](mailto:OLCAexecdirector@gmail.com) by March 1, 2024 or send it with your dues payment and informational form. We will put all the submissions in the Ripples for the Spring meeting.

**New OLCA Associate Member,** We are trying to get our past Associate members back to advertising with us. There are a few that have responded last year. Make sure to check out the Ripples at the OLCA meetings for their ads. If you know of a business that has been doing work around your lake, please give their information to us at [OLCAexecdirector@gmail.com](mailto:OLCAexecdirector@gmail.com) and we will contact them. The more Associate members we have the more resources we have for everyone to use.

We strive to have one representative from each lake community involved. See below for a list of current OLCA Executive Board members.

**Rick Lavinsky Do Something Not Nothing Award,** As many of you know, Rick Lavinsky passed away in October 2017. Rick became involved in OLCA as counsel in 1991. He was very instrumental at growing and developing the organization. The Executive Board decided that it would be fitting to honor Rick's memory by awarding the Rick Lavinsky, Do Something Not Nothing Award to a person from the host lake that has been a true asset to your lake. Someone who has volunteered above and beyond.
